Our **2017 Royal Hobart Show**, online safety induction is now available to complete for the event.

The safety induction portal is compatible with tablets and ipads, Macintosh Computers and Personal Computers.

Can you please forward this email onto any of your staff, volunteers, workers and stakeholders attending the venue for the event to allow them time to complete this important safety process.

Although we are some months away from the event commencement. We view this process an important part of your WH&S site specific training for entering the site and fulfils the obligations required by all PCBU's under the current Work Health and Safety Act 2012.

Use the following link to access the training portal. At the successful completion of the assessment, details will be sent to the RAST Administrator and an induction card will be sent to each inductee's nominated email address.

Your induction card must then be printed out, signed and carried with you at all times whilst onsite for the event.

We encourage your staff and stakeholders to complete this process early to ensure that they have no issue with accessing the venue during the move in or out phases of the event.

Hi visibility vests must also be worn during the move in and out phases of the event and an current induction card must be available upon requested or access to the venue may be denied until the issue is rectified.

The training portal link is listed below, open and follow the instructions on this attachment to complete the process.
