A good selection of coffees. Generally good quality beans. Some lacked development, a few slightly over-roasted. Improvements could be made in roasting to bring out full potential of the quality of coffees.

Bronze	841	18615	Kahawa Estate Coffee	Kahawa Estate Magma	NSW

**Judges Comments:**

Generally many good coffees used, some roasted well which displayed the character of the coffee. Some great bean character was overshadowed by bitterness and smokiness of over roasting.
