Entries are now invited for the 2018 Gravitas Vineyard of the Year Competition. If you are enrolled in the Wine Tas VinØ (Vin Zero) program then entry is free and automatic provided you agree to participate.

The objective of the Gravitas Vineyard of the Year Competition is to promote a high level of viticultural management in Tasmania leading to the production of quality fruit from sustainable management systems.

The panel will review all entries to ensure each one meets the entry criteria. The Assessment will comprise a visit to vineyards and interviews with entrants. Judging on site will be in early February 2018 with the winning vineyard hosting the Field Day in May.

The competition provides vineyard management with an assessment of their operations. Apart from discussions with the judges, each entrant is provided with a brief summary of the judges' comments.
