I acknowledge that the event and associated activities carry with them a significant risk of physical harm. I accept and assume all such risks of personal injury or death in anyway whatsoever arising from these activities and hereby waive my individual right to sue the Suppliers for all claims I or my representatives may have for such personal injury or death against the Suppliers in regard to their negligence, breach of statutory duty or statutory guarantees arising from or in connection with these activities to the fullest extent permitted by law.
- 4 At the time of participating in the event, I have not been to any degree under the influence of alcohol or illicit drugs.
- 5 I will not consume any alcohol or illicit drugs while participating in the Event and agree that such use may result in my being excluded from the Event or other events with no entitlement to any refund of money paid for entry to the Suppliers.
