Welcome to the 196th Royal Hobart Show

The Royal Hobart Show will be in its 196th year in 2018 making it the longest established agricultural Show in Australia.

The Royal Agricultural Society of Tasmania is continually striving to develop the Show to ensure that it remains a major event on the Tasmanian calendar which the community view as an engaging, educational and enjoyable experience.

In 2018 we are commencing a transition to a new show format and are reducing the number of show days to three, Thursday-Saturday. This is largely in response to exhibitor feedback and the costs of producing Wednesdays show against the numbers attending on that day.

We look forward to making the 2018 Show the most successful yet and look forward to having you and your organisation as a part of this!

Our show is part of the historical social fabric of the greater Hobart community. We are determined to keep it alive and vibrant as we head towards the 200th anniversary and beyond

See you at the Show!

To be eligible to have your business promoted through our platforms you must provide a product or voucher with a value of \$50.00 or more. To ensure the post reaches the maximum number of people please “share” the post on your own page.

SPONSORSHIP

Sponsorship is a fantastic way to become further involved in the show and reach a greater number of people through further promotional opportunities prior to, during and after the show. This can be done via the significantly greater marketing opportunities sponsors have including logo inclusion on our website, The Mercury feature and TV advertising.

Sponsorship can be directed towards a range of areas at the Show from having nights of animal sections or our entertainment and any agreement can include commercial space.

For further information contact Phillip Bellchambers—phil@hobartshowground.com.au.
